Beware – Google and Sat Nav devices generally have not yet caught up with recent City Centre road building.

This mainly affects approaches from the South and West.

These directions updated April 08.

How to find us: From the North – M1

Leave the M1 at junction 34 (north junction) – our office is approx 3 miles from this junction.

Take the 4th exit at the roundabout and follow the A6109 towards Sheffield City Centre (*pass Meadowhall Shopping Centre on your left*).

Follow the A6109 for approx 2 miles (*through 7 sets of traffic lights*) to a roundabout which has a steel 'Forgemasters' sculpture – take the 2nd exit (straight ahead) (*Pass the Royal Mail sorting office on your right*).

Continue on the A6109 (*through 6 sets of traffic lights*) – the dual carriageway becomes a single carriageway as it passes under the 'Ferodo' bridge but soon returns to dual-carriage way.

Go through 3 more sets of traffic lights and proceed straight ahead along Princess Street (*passing to the left of the 'Bronx' building*).

After passing the 'Bronx' building (*and through 1 more set of traffic lights*) take the second slip road on the right and turn right into Windsor Street.

At the T-junction turn right into Savile Street East – then second left into Firth Drive (*look for the spider sculpture on the Gripple building wall*) – then immediately left into the entrance of the President Buildings car park. No17 is in the diagonally opposite far corner.

NB Google, websites and most Sat Nav devices will misdirect you on the final stage if using postcodes. These directions should prove more reliable! For a small scale map try -

How to find us: From the South – M1

Leave the M1 at junction 33 – our office is approx 6.5 miles from this junction. Take the 1st exit at the roundabout and follow the A57 (*towards Sheffield City Centre*) for approx 5 miles.

Passing 'Parkway Central' and the Matalan store on the left you go under a pale blue bridge. Take one of the extra lanes on your right ready for a Right turn at the lights. (*Signposted for Barnsley, A61*)

Taking the middle one of the three options leads downhill (*Pass Sheaf Quay and Ant on your left then the Royal Victoria Holiday Inn high up on the right.*) After the next set of lights you once again need the right hand lanes ready for another Right turn ahead. (*Signposted for Rotherham, A6109*)

The road seems to double back on itself but you bear away Left under the newer looking, green painted, railway bridge.

Follow the A6109 for approx half a mile (*Passing several car dealerships - Vauxhaul followed by Land Rover on the left then Ford on the right*) You see a tall building ahead - 'Don Valley House' with its sign high up on the right. On the left is a red-brick gable-end wall with a sign for 'President Buildings' office park.

Take the next turn left (*approx 100m*) into Firth Drive (*Look for the spider sculpture on the Gripple building wall*) – then immediately left into the entrance of the President Buildings car park. No17 is in the diagonally opposite far corner.
